

DEPARTMENT OF STATE

Washington, D.C. 20520

July 6, 1977

Bohdan:

I think that the Department has become more sensitive to the issues which concern you.

It is unfortunate that "bad news" is the only news which might prompt an official statement of concern for people devoted to the principles of the Helsinki Final Act who get into trouble for their efforts.

We'll not let these people be forgotten. Let's stay in touch.

Bohdan Yasen
Helsinki Guarantees for Ukraine Committee
